3. (U/AIUO) Staff Position: It is our understanding that these hazardous duties were not taken into account in the classification of the positions by Position Management and Compensation Division. It therefore appears that the incumbents of the positions are entitled to hazardous duty pay in accordance with the provisions of FPM Chapter 550. Adequate records on personnel involved in these duties are available from 1 January 1978 and, if approved, it is requested that such approval be retroactive to 1 January 1978.

4. (U/AIUO) Recommendation: It is recommended that you authorize, retroactive to 1 January 1978, hazardous duty pay for the incumbents of the positions listed in the attachment while in the performance of the duties listed in paragraph 2 and that this authorization also be granted to TDY'ers or other employees who may from time-to-time be required to perform these duties.
